

Futurelove Sibanda

Futurelove Sibanda is a Vienna-based singer-songwriter, hailing from Nyamandlovu, Zimbabwe. Combining distinctive and soulful vocals, touching lyricism and his signature caramel voice, Futurelove's music is heartfelt, emotional and reminiscent of artists in the vein of John Legend and James Vincent McMorrow.

Oliver Pocher, a stand-up comedian and television personality in Germany, described him as “the perfect combination between Bob Marley and Lenny Kravitz”, showing how Futurelove's versatile vocals are not to be boxed away into genres.

He has built up a following over the years, touring with big names such as Wolfgang Ambros, Willi Resetarits, Opus, Hans Theessink and award-winning acappella group Insigizi in several countries across the world including Austria, France, Liechtenstein, Germany, Switzerland, Poland, Czech Republic, Serbia, Croatia, Japan, Malawi, South Africa, Swaziland and the United States of America.
